November 23, 2008

Dear Anne Heishman,

I would like to thank you and the Prairies at Wright Field for your support of the 2008 Air Force Sergeants Association Chapter 751 annual Thanksgiving Basket Program. The Prairies at Wright Field canned food drive produced over half of the canned goods and dry goods required for the event with an approximate value of \$2,600.

This year we were able to provide baskets for 262 Wright-Patterson Air Force Base families, because of your support for this important program. Each basket contained a turkey or a ham as well as a variety of food items for a full Thanksgiving feast. Each basket we provided has a value of approximately \$45.00.

Thank you for your support in making this year's Thanksgiving Basket Program a success and bringing holiday cheer to many Wright-Patterson Air Force Base families. We look forward to working with you again next year.

Sincerely,

A handwritten signature in cursive script, reading "James S. Fuenfgeld".
