Mr. Dalton,

I just wanted to take a minute to let you know how much our family appreciated the terrific assistance my son, Aric and his wife, Bernice received from Anne Heishman and Stefanie Wood as he recently transitioned from Texas to Ohio. They moved into their place about two weeks ago and are very happy. It was such a pleasure to see them stress free during this process - thanks to Anne and Stefanie.

Please convey our deepest gratitude to Anne and Stefanie. Their kindness and professionalism was greatly appreciated.
