To the Properties of Wright Field:

The Integrated System Delivery (IDS) has hosted a consolidated Pre-Deployment Fair the past year at the Chapel Family Life Center in Page Manor. The Pre-Deployment Fair, which all deplorers' in the current AEF cycle and their families are welcome to attend, starts at 1100. The Properties of Wright Field have provided the families great information and allowed the families to take home some great give away items. These families have faced a great amount of stress over the past year and because of what the Wright Field folks have done for these families the past year has been invaluable. I would like to say thank you to all the folks who have contributed their time and effort to support the families of the deployed folks from Wright Patterson.

Thank You.

PS: IDS information booths, clowns, face painting, local team mascots, and a bouncy houses have been set up for the attendees and their children's enjoyment. Information tables with all IDS helping agencies will be available along with the Red Cross, Boy/Girl Scouts, and representatives from the Education and Training Flight. The folks of the Properties of Wright Field have become a part of the great IDS team we have here at Wright Patterson.
