Business Salute

Properties at Wright Field simplifies relocation

By **ELIZABETH STUDEBAKER**
 Feature Writer

FAIRBORN — "Proudly Serving those who Serve," the motto for The Properties at Wright Field on Colonel Glenn Highway opposite Wright-Patterson Air Force Base, says it all. It is a living and breathing approach to taking care of life's basic skills for military families when they arrive in our area and WPAFB employees.

Home selection is usually the most essential, yet extremely stressful, part of a military family's relocation. The Properties strives to relieve that stress by providing a smooth door-to-door move so the military families can focus on relocation and job ... not house hunting.

The Properties is now being offered to the general public. To schedule a private showing, call (937) 253-6009. Michael G. Dalton, ARM®, RAM®, district manager, says, "We are a community offering a lifestyle, not just bricks and sticks. I understand the stress of a move. I spent 22 years in the United States Air Force, moved from locations from across the country to across the world. I proudly served my country and now proudly serve my military families by providing a service for them."

The two communities at The Properties at - The Prairies and The Woods - have 1,536 homes, 41 floor plans, all of them including attached garages and major appliances (refrigerator, range/oven, dishwasher and garbage disposal, and full-size washer/dryer connections.)

The Prairies offers new construction and pre-existing homes with style! The new homes are multi-plex buildings (with four homes per building), each three-bedroom unit with approximately 1,400 square feet. The pre-existing homes in The Prairies are older in construction with very spacious and versatile floor plans.

The multi-plex buildings are situated around courtyards with play areas in the interior of each courtyard. All have private entrances, private patios, lots of interior and exterior storage, and detached garages.

If space is a must, they have upwards of 1,700 square feet of living space!

All of the homes at The Woods received minor renovations and like The Prairies, amenities include lighted ceiling fans in all rooms and multiple phone and cable outlets. The three bedroom homes average 1,650 square feet.

Other community amenities include walking/jogging trails, lighted basketball and tennis courts, sand volleyball and a 3,200 square foot community center available for private functions.

Residents can receive items to maintain their homes at no charge in the Self-Help store. There also is an in-house maintenance department with 24-hour emergency service.

Tonya Patrick, resident relations manager, described resident activities that include cook-outs, movie nights, a back-to-school carnival, harvest party and much more.

"I've been part of The Properties at Wright Field since we privatized military housing. Although I didn't serve in the military, I feel a strong commitment in taking care of their housing needs," she concluded.

Properties at Wright Field encompasses two communities: The Prairies and the Woods, with three specific types of homes.

One of the amenities at Properties at Wright Field is the 3,200 square foot Community Center available for private functions.

An interior view of a living room at Properties at Wright Field.

Each of the duplex-style homes at The Woods at Wright Field is situated within a park-like setting.

BRIEFLY

Feds arrest 58 in immigration raids
 CLEVELAND (AP) — Fifty-eight employees at eight Mexican restaurants across northern Ohio have been arrested in immigration raids. U.S. Immigration and Customs Enforcement said the raids were conducted Wednesday at Casa Fiesta restaurants in Ashland, Fremont, Norwalk, Oberlin, Oregon, Sandusky, Vermilion and Youngstown. The 54 men and four women arrested are Mexican citizens. Three women were released on humanitarian grounds but must appear before an immigration judge who will decide if they may remain in the U.S.

Lawmakers propose hearing
 WILMINGTON (AP) — Lawmakers plan to hold a hearing in Wilmington within a month to get more input about plans by a package delivery service to move its operation out of southwest Ohio. DHL said in May that it wants United Parcel Service to replace ABX Air and ASTAR Air Cargo in transporting DHL packages. That would mean much of the work normally handled at Wilmington Air Park would be transferred to UPS facilities, threatening at least 6,000 jobs. Wilmington state Rep. Dave Daniels and state Sen. John Carey of Wellston say they will hold a joint hearing to gather information on the situation. Ohio House Speaker Jon Husted (HYOO-stehd) of Kettering says if the DHL decision cannot be reversed, at least the hearings could help people become aware of their job options.
